

<Marine Organism Rearing Log>

9 AM, October 17, 2022

Weather: Cloudy

Water temperature: 19.2°C

We invited 17 representatives from 15 media for monitoring rearing test status. The inspection visit covered widely such as rearing test tank facility, backstage and rearing training facility outside the building. Not only the flounders who were peeped into by media but also the caretaker who guided them seemed a bit nervous.
