

<Marine Organism Rearing Log>

9 AM, December 5, 2022

Weather: Sunny

Water temperature: 18.5°C

<Diary of a Flounder>

Flounder: Hey, have you checked out that SAORI Oneesan (SAORI a-girl-next-door) of “Sampo suru Android (Android on a walk)” and her visit to Hamadoori has been uploaded on YouTube?

Abalone: Of course! We are also on the video.

Flounder: It is grateful for her to disseminate current Fukushima to the world.

Abalone: I wonder if she come and visit here again.

Observing a flounder under anesthesia

Asking questions about rearing abalones
