

<Marine Organism Rearing Log>

9 AM, November 21, 2023

Weather: Sunny

Water temperature: 18.7°C

This is a head shot of an older flounder, about 30-months old. He looks more vicious than the younger one. One might say he even looks ferocious. Also, he doesn't budge even when the phone is moved near him. And, he looks more powerful because his face is bigger. That's just my personal opinion though.
